

# JICA Training Program

JICA Vietnam Office

## Types of Training

- Group Training
- Long-term Training
- FASID/GRIPS
- Country and Region Focused Training
- Counterpart Training
- In-country Training
- Local Authorities Training
- **Third Country Training**

# Flow Chart for TCTP

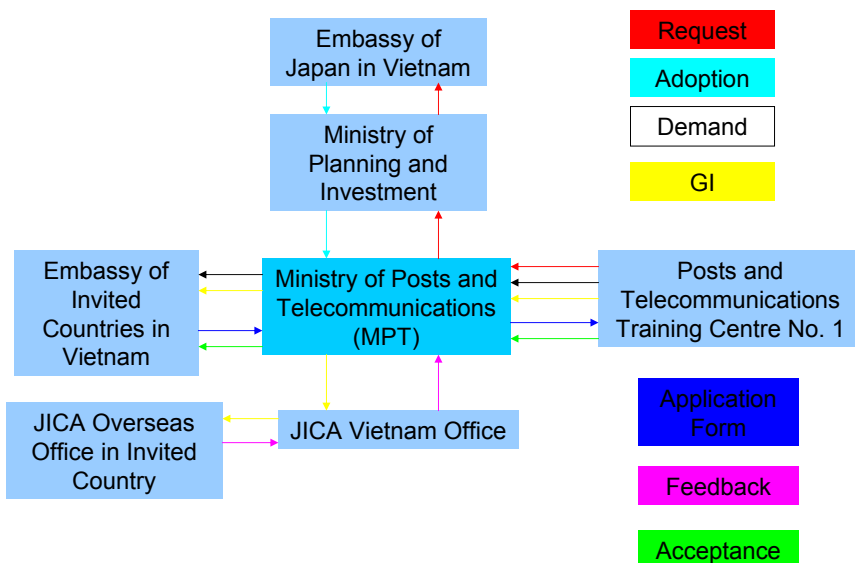

## Current Situation

- Lack of information on applicants
- Get passive in conveying the acceptance, PTA, etc., due to insufficient information on applicants
- Difficult to coordinate due to focal point being skipped

## 2. Vietnam as a resource country

- Course Title: TCTP on Digital Telecommunication Network Operation and Maintenance Technology
- Participating Countries: CLMV (5 from each)

## Vietnam as a resource country Procedures

## Suggestion

- Clarify the focal point for TCTP
- Share information on screening results
- Send a copy of relevant documents to the focal points and JICA Vietnam Office
